Bettie and Hans,

Lincoln has started print ads for the long term ACCORD (EHCJLI02/02) study. We plan on running radio the week of 22 Jul. A company wide e-mail has been issued for LNK and we are also starting on database mailings.

We are scheduled to hold two screenings, on 13 and 15 Aug. Exams will be held on 19 and 21 Aug and the subjects are to check into the facility on 23 Aug 2002. As of now, LNK has 33 subjects interested in the study.

I will keep you updated as the numbers rise.

Thanks
Kim
